

CRACK THE COLD CASES NO ONE COULD SOLVE

40 Unsolved Crime Dossiers • Suspect Alibis • Deduction Grids

Dust off the case files. Some crimes have remained unsolved for decades. Inside this volume, you will find 40 meticulously constructed mystery puzzles. Analyze crime scene notes, cross-reference witness alibis against forensic evidence, and isolate the single flaw that unmasks the guilty party.

WHAT AWAITS YOUR INVESTIGATION:

- 40 Cold Case Files:
Vault break-ins, poisonings, chalet murders & high-seas mysteries.
- Deduction Matrices:
Grid-based logic reasoning to eliminate innocent suspects cleanly.
- Alibi Analysis:
Test witness integrity against physical forensic facts.
- Complete Solution Keys:
Full deduction walkthroughs for every single case.
- Companion Series Release:
Pairs perfectly with 50 Murder Mystery Logic Puzzles.
