

CAN YOU ESCAPE BEFORE TIME RUNS OUT?

50 Immersive Escape Room Puzzles, Ciphers & Clues in One Book

Turn any living room, classroom, or solo evening into a pulse-pounding escape adventure! Escape Room & Cryptic Ciphers delivers 50 complete, low-prep room escape challenges designed for maximum engagement without spending hours cutting paper or buying padlock boxes.

From ancient obsidian tombs and sunken pirate galleons to high-stakes bank heists and cyberpunk data breaches, each mission presents a unique scenario, physical artifacts, encrypted riddles, and an interactive codepad.

Whether you are hosting an unforgettable game night for friends, challenging teens with STEM deductive reasoning, or conquering rooms solo against a 15-minute countdown clock, this book delivers endless hours of thrilling deductive entertainment.
